Re Representation of Sri B Sampathiyengar, Stenographer,
City Municipality, Mysore, for absorption in the
first grade of stenographers

MAS

I write to state that during the Re-organization of the President's Office which was sanctioned by Government in their Order No L 13188-189/ML 11-46-136 dated 28-3-1947, the number of junior clerks on Rs 40-2-50 was raised to 7 inclusive of 2 stenotypists. One of the two steno-typists posts was to be attached to the Council section while the other drafted to the general typing work in addition to an existing one. Consequent on the grant of the privilege to the Municipal Council of electing its own President from among the members of the council and also the elected President holding office from 1-2-1948, the stenographer attached to the Pres Council section was drafted to work as Personal Clerk to the President also in addition to his own work of the council section. The work expected of the stenographer to Council section is that of attending to the council meetings and other committees and draft report of proceedings thereon and also attend to the work of the Personal Clerk to the President.

Sri B Sampathiyengar, one of the stenographers who is at present attached to the council section and working as Personal Clerk to President and is getting Rs 68/- in the second grade of Rs 45-3-60-4-100 represented that in view of his high qualifications he was entitled to the benefits of the G O No Fl 5297-6397/S & A 115-49-2 dated 6-2-1950 and prayed for being absorbed as a First Grade Stenographer and started on Rs 100/- in grade Rs 100-10-200 as per G O No Fl 2010-70/S & A 25-47-6 dated 21-9-1947 from the date he is confirmed in his post. Copies of the Government Orders

are enclosed for reference. As the responsibility devolved upon him was in no way less than that of a stenographer or Reporter in the Secretariat and Legislative Branches, it was felt equitable that the benefits of the G.O.'s referred to above, be granted to him also. It is stated that he is one of the hardly three stenographers in the State who have passed Proficiency examination in Kannada and English Shorthand, and that the denial of the benefit of the Government Order to the official when similar highly qualified hands are getting the benefits of higher pay was felt as greatly damping his enthusiasm.

The Municipal Council were also feeling the need for the provision of a Reporter for the Council section, who could efficiently attend to the recording of the proceedings of the Council and submit reports thereon. While considering the representation of the official, the Council felt that the existing post of the Stenographer attached to the Council section be designated "Reporter" on a grade pay of Rs 75-5-100-10-200 and that he be the Personal Clerk to the President also. They have further resolved that the benefits of the Government Order No F1 2010-70/S & A 25-47-6 dated 21-9-1947 be given to the present incumbent Sri B Sampathiyengar and he be started on Rs 75 p.m.

In enclosing copies of the resolutions of the Managing Committee and of the Council as also copies of the relevant Government Orders for ready reference, I request that orders of Government may kindly be obtained to convert the post of the Stenographer of the Council section into that of a Reporter (in grade Rs 75-5-100-10-200) cum Personal Clerk to President.

and to fix Sri B Sampathiyengar, the present incumbent
at Rs 75/- in grade Ps 75-5-100-10-200

Government Order No 7434-2569/C B 178-46-1 dated the 27th November 1946 constituting a Committee to examine the adequacy or otherwise of the existing scales of pay of the subordinate executive and ministerial (non-gazetted) and inferior services establishment in the several departments of Government

2 Report dated 5th July 1947 of the above Committee recommending revision of scales of pay of the non-gazetted establishments of the several departments of Government

3 Government Order No FL 1865-1925/S & A 25-47-3 dated 6th September 1947 sanctioning the revision of scales of pay of certain classes of non-gazetted posts in the several departments of Government

4 Government Order No FL 1979-82/S & A 25-47-4 dated the 13th September 1947 sanctioning the revision of scales of pay of the non-gazetted executive and ministerial staff of the Police Department

5 Government Order No FL 1999-2003/S & A 25-47-5 dated 15th September 1947 sanctioning the revision of scales of pay of the several classes of employees of the Military Department

ORDER NO FL 7010-70/S & A 25-47-6 DATED BANGALORE THE 21ST Sep 1947

After considering the proposals of the Pay Revision Committee, Government are pleased to sanction the revision of scales of pay of the several classes of non-gazetted employees in the different departments of Government as shown in the Annexure. The revision of scales of pay, as now sanctioned, will have effect from 1st January 1947

2 The following general principles should be followed in fixing the number and pay of the incumbents -

(a) Except in the case of Departments where the numbers of I and II grade clerks have already been fixed in the existing scales, the ratio of I and II division clerks in all other cases should be 1.5 respectively. The graduates in the lower scale should be allocated against the I division without affecting the officials already promoted. If the above ratio should work as a hardship in fixing the graduates in the first division, supernumerary posts in the I division may be temporarily created for them, keeping equal number of posts in the II division vacant and the future recruitment should be so regulated that the ratio is brought down to the level of 1.5 at the earliest opportunity.

(b) In the case of an official whose pay in the existing scale fits exactly into a stage pay in the revised scale, he may be allowed to draw the next increments in the revised scale on the date on which he would have drawn it had he continued in the existing scale.

(c) In the case of an official whose pay in the existing scale falls between two stages in the revised scale, he may be allowed to draw the next higher stage pay in the revised scale.

(d) In cases where an increment has already accrued after 1st January 1947, the benefit of the increment may be given in the revised scale from the date of such accrual, the pay in the revised scale being fixed on the basis of the above principles.

(e) Other cases of specific hardships may be referred for orders of government while sending up the allocation statement.

3 In the case of steno-typists and typists, the Heads of Departments will examine the needs of their department and fix up with the approval of Government the number of steno-typists actually required for attending to dictations & reporting. The steno-typists whose

number is thus limited will draw a grade pay of Rs 75-5-150 provided they are qualified in Senior Typewriting and Senior-Shorthand Those who have passed Proficiency Examination in Shorthand may be given the grade pay of Rs 100-10-200 In all other cases where the steno typists or typists are merely required to attend to typing work, they will draw the grade pay of clerks, viz, I division if they are Graduates and II division if they are S S L C 's The existing scale of allowances fixed for typists and steno-typists according to their qualifications continue, except in the case of stenographers of the Special Branch of the Police Department where the allowance has been enhanced to Rs 30 per mensem

4 Heads of Departments are requested to take immediate action to submit the proposition and allocation statements for early orders of Government through the Comptroller who will forward them after verification as expeditiously as possible
